Thank you for contacting me. The design for a bus stop at Bee Ridge and Mauna Loa is 90% complete. The stop improvements are to be located in the NE corner and tie into the existing sidewalk on the north side of Bee Ridge Road. SCAT will identify funds for construction and will schedule for construction

Just to ley you know that SCAT has reduced it's budget in FY2008, and as a result SCAT had to let 3 administrative employees go. Jenn Egrie, unfortunately, is one of the 3 employees. I really miss her. She brought a lot of energy and goodwill.

Yo can always contact me by email or by telephone at (941) 650-2284. Thank you for contacting me.
